

YOUNG SOCREDS ENTHUSIASTIC — Enthusiasm and optimism that the Social Credit party will form the next government for Canada was evident at the nomination meeting of the Elgin County Social Credit League last night. Members of the young Socreds displayed publicity material, much of which is

printed by themselves. Left to right are Richard Day, of Port Credit, president of the Ontario Young Social Credit Association; Pat Henderson, of Aylmer; Dianne Tustian, of New Sarum and Larry Verheyden, of New Sarum, president of the Elgin County branch of the association. — (T.-J. Photo.)
